

(2) Where SBA finds a firm not to be an SDB in connection with an SDB protest, an SBA-initiated SDB determination, or an 8(a) BD annual review, SBA will immediately decertify the firm as an SDB and remove it from the qualified list of SDBs.

(b) A firm that graduates from the 8(a) BD program will remain on the list of certified SDBs for a period of three years from the date of its last annual review.

(c) To remain on the SDB register after three years, a firm whose status as an SDB has not been upheld in connection with a protest or an SBA-initiated SDB determination, or has not been certified as an eligible 8(a) Participant as part of an annual review, must submit a new application and receive a new certification.

§ 124.1015 What is the effect of receiving an SDB certification?

(a) A firm that is certified to be an SDB may represent itself as an SDB for such purposes as Federal price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentive programs, section 8(d) subcontracts, SDB set-asides, or any other programs which accept an SBA certification. A contracting officer may award a contract based on a firm's representation that it is a certified SDB absent a protest that the protested concern's circumstances have materially changed since SBA certified it as an SDB, or that the protested concern's SDB application contained false or misleading information (see § 124.1018(d)).

(b) For purposes of a particular Federal procurement, the firm must represent that it is both disadvantaged and small at the time it submits its initial offer including price (see part 121 of this title). At the same time, the firm must also represent that no material change has occurred in its SDB status since its SDB certification, or from the date of its application for SDB certification if its application has not yet been processed, and must specifically represent that the net worth of the disadvantaged individuals (not including concerns owned by tribes, ANCs, CDCs, or NHOs) upon whom the

SDB certification was based still does not exceed \$750,000.

(c) A firm's status as "disadvantaged" or "small" may be protested pursuant to §§ 124.1017 through 124.1021 and §§ 121.1001 through 121.1005, respectively, despite the presence of the firm on the SDB register, provided the protest contains specific allegations that the firm's circumstances have materially changed since SBA certified it as an SDB, or that the firm's SDB application contained false or misleading information.

§ 124.1016 Can SBA re-evaluate the SDB status of a firm after SBA certifies it to be SDB?

(a) SBA may initiate an SDB determination whenever it receives credible information calling into the question a firm's eligibility as an SDB, including an adverse determination from a DOT recipient of the firm's status as a DBE. Upon its completion of an SDB determination, SBA will issue a written decision regarding the SDB status of the questioned firm.

(1) If SBA finds that the firm does not qualify as an SDB, SBA will decertify the firm as an SDB, and immediately remove the firm from the list of qualified SDBs. The firm may appeal SBA's decision to OHA consistent with the provisions of § 124.1008(f) and part 134 of this chapter.

(2) If SBA finds that the firm continues to qualify as an SDB, the determination remains in effect for three years from the date of the decision under the same conditions as if the concern had been granted SDB certification under § 124.1008.

(b) An SDB firm must report within 10 days to the AA/SDBCE any changes in ownership and control or any other circumstances which could adversely affect its eligibility as an SDB.

§ 124.1017 Who may protest the disadvantaged status of a concern?

(a) In connection with a requirement for which the apparent successful offeror has invoked an SDB evaluation adjustment or an SDB set-aside, the following entities may protest the disadvantaged status of the apparent successful offeror:
